Dear Admiral Turner

Please be kind enough to excuse me for this note to yo

Sir, about my hobby.

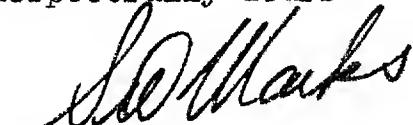

I sell America through the newspaperboys, because I know that only in this great U.S.A. can a newspaperboy rise to the highest office in the Land.

Were you a newspaperboy as a lad Sir, if you were, would you honor me with your autographed picture for my Hall Of Fame at Valley Forge.

Enclosed a bit about me and my hobby.

I trust this will find you in the very best of health.

Respectfully Yours

Sid Marks
